

MCLACHLAN

Ali and Igor's Experience

To The Mclachlan Team

Thank You! What a fantastic experience building our dream home.

The entire Mclachlan team were professional and a pleasure to work with. In particular, we would like to acknowledge Terry for all his guidance and patience allowing us to achieve a custom design with high level inclusions.

Nick, our site foreman, for going above and beyond delivering a high quality build to schedule.

Nick's attention to detail, invaluable advice and project management skills are second to none!

Sophie for providing a personal touch and always being available to discuss the process and answer any question.

You were a dream to work with!

We would not hesitate to recommend Mclachlan Homes.

Thanks again,
Ali & Igor
